The Weather Station for Smartphone

Netatmo has developed a mount to make it easier to attach the Rain/Wind gauge to a wall, roof, pole or railing.

The Additional Indoor Module, the Rain Gauge and the Wind Gauge only work with the Netatmo Weather Station for Smartphone, sold separately.

PROFESSIONAL AIR QUALITY AND WEATHER MEASUREMENTS

MEASURE YOUR INDOOR COMFORT

Did you know?

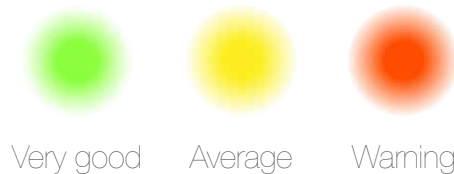

We spend 80% of our time indoors, and yet indoor air is often more polluted than outdoor air.

INDOORS

VENTILATE WHEN NECESSARY

Receive real-time CO₂ level alerts.

PLAN YOUR OUTDOOR ACTIVITIES

Use your real-time weather readings to choose what to wear, the best mode of travel, as well as to plan your outdoor activities.

OUTDOORS
