◼ LEDPSRT

Rounded Rectangle rings design with curved corners, this stylish LED Pendant Bar Lamp that generates 3,600 lumens at its full brightness

designed for illuminating dining areas offers a lighting coverage of 15-20sqm

Input	AC 120-240V 50-60Hz
Output Combined	38W / 40W
Lumen Output Combined	3,600lm at full brightness
LED Chips Type	Dual color LED 2835 diode sets
CT Range	3000 - 5500K
CRI	>80
LED Driver	SAA approval Zigbee protocol integrated LED driver
Material - Lamp frame	Aluminum with Powder Coating Finishing
Material - Diffuser	High-Quality Polycarbonate
Dimension-Diameter	1M / 1.2M
Lifespan	35,000Hrs
IP Rating	IP20 - Indoor use only
Strings / Power Cable Length	1.5m Adjustable
Mounting Methrod	Ceiling Cap with Expansion Screws are provided

Voice Control	Supports Google Home and Amazone Alexa through Nue Bridge or SmartThings Hub
App Control	Carry out tasks according to different functions offered by smartphone apps
IFTTT	Acts as a terminal device of an IFTTT setup
Wifi Friendly	Creates no interfere with the existing Wifi and internet connection
Security	It protects your home with home automation tasks during holidays
SAA Approval	Comply with SAA Australian Safe Electronic Standard

Perfect for:
over dining tables,
kitchen bench tops
as well as bar section
hanging over workbenches
or commercial display platform
